

Volunteer Adult Readers

Wouldn't it be great if we could listen to every child read every day of the week - both at home and at school? We are fortunate to have a number of dedicated volunteers who listen to children read on a weekly basis but would love to have more in order to get closer to our goal. If you feel you could dedicate anything from one hour, one afternoon or one morning per week to help us with this task, please contact Mrs Chapman or Mrs Kirlew.

All adults who volunteer and work in our school have received enhanced clearance from the Disclosure and Barring Service (DBS), formerly Criminal Records Bureau (CRB), who prevent unsuitable people from working with children.
