

What if he or she finds it difficult to learn to read?

We want children to learn to read, however long it takes us to teach them. We will find out very quickly if your child is finding reading difficult. First we move children to a different group, so that we can make sure that they have learnt what they need to know. If they still struggle we give them extra time with an adult, on their own. These adults are specially trained to support these children. Your child will still be in the same group with the other children and won't miss out on any of the class lessons.

If we have any serious worries about your child's reading, we will talk to you about this.

Some children take a bit longer to learn to put sounds together to read a word, e.g. c-a-t to make the word 'cat'. At our meeting, we will explain how you can help your child to do this.
